

*When I walk down the aisle  
To "Here Comes the Bride"  
It would mean the world  
To have you by my side*

*Be my bridesmaid?*

*Will you be my bridesmaid?*

*Will you be my maid of honor?*

You have been my friend through good times and bad. I cherish our friendship and the memories we have made. Please **be** there for me. Stand by **my** side I promise not to make you wear an ugly **bridesmaid** dress or matching dyeable shoes. I couldn't imagine this day without you there. i'm so blessed to have you as my friend. please stand by my side on this special wedding day
